

2nd ANNUAL GOLF TOURNAMENT TEAM REGISTRATION FORM

On June 11TH 2017, The Oaks Golf Course in Somersworth will host the second annual New Hampshire Opticians Society Golf Tournament. By supporting us you will be helping our Society to increase the awareness of Opticianry in the State.

A registered optician is an engineer, they understand the physics behind the lenses. They understand why a lens placed in front of your eye will help you see. They understand how to compensate for a prescription if you want a pair of wrap sunglasses or if you want to see your computer 24 inches away instead of 16. They know how to do this because they are a professional optician. They can explain it simply and concisely because this is what they do.

Your \$400 donation for a team of four golfers includes 18 holes with a cart, breakfast and an all-you-can-eat lunch buffet banquet. Join us for registration, putting contest and breakfast which begins at 7am with an 8am shotgun start. A limited field of 18 teams will increase your odds, but send your registration in early as it is a first come basis. Raffle tickets, mulligans, "gimmes", and other fun stuff will be available for purchase the day of the event.

Prizes include - 1st place team \$800

2nd place team \$400

3rd place team \$200

Plus prizes for longest drive, straightest drive, closest to the pin, and many many more.
